2018-19 Team Number Vouchers!

What's a Team Number Voucher?

Having a Destination Imagination Team Number is like having a golden ticket because it allows you and your team to participate in workshops, training events, and Destination Imagination sanctioned tournaments. Every team needs one! Usually, Team Numbers are only available for purchase between August and March. However, if you're enjoying the DI Challenge Experience as much as we hope you are, you can take advantage of this special offer so that your team is ready to begin the day we release next season's Challenges!

The 2018-19 Team Number Vouchers are now available for purchase. These vouchers maintain the standard Team Number cost*, and upon purchase you will receive the following:

- An alphanumeric code to be saved and utilized in September when the 2018-19 Team Challenges become available for review and selection
- A link to an exclusive, digital Instant Challenge pack

It's important to note that the alphanumeric code generated during purchase is NOT an actual Team Number, but the voucher code to be used to claim your Team Number when the 2018-19 Challenges are released.

The 2018-19 creative journey starts now. Visit DestinationImagination.org/voucher today and get ahead of the game with your Team Number Voucher and an exclusive, digital Instant Challenge pack.

**The \$105.00 cost of the Team Number Voucher does not include Affiliate Fees. Upon claiming your Team Number in the 2018-19 season, the \$105.00 will be deducted from the total cost and Affiliate Fees will remain, if applicable. Team Number Vouchers may be redeemed for a 2018-19 Team Number through April 1, 2019.*
